

5/19/2022

Assalamualikum Parents,

We hope you and your families are in good health. Please refer below regarding important end of the year updates.

As the current health situation continues to impact our lives, we urge parents to monitor their children for symptoms. Weekly testing is recommended. Any student who is sick must remain home. Children displaying symptoms should get tested, and can only return to school upon the submission of a Negative COVID Test. Kindly continue to speak to your children about healthy habits such as hygiene, masking up, social distancing, etc. May Allah SWT keep you and your families healthy and safe.

- **Final Exam Schedules Schedule for grades K-8:**
 - May 23: Quran
 - May 24: Arabic
 - May 25: I.S.
 - May 26: Math
